Product description

Methyl B12-Vitum is a dietary supplement that is recommended for adults to supplement their diet with vitamin B12. **Vitamin B12** helps in the normal production of red blood cells and the maintenance of normal homocysteine metabolism, contributes to the maintenance of normal energy metabolism, as well as the reduction of feelings of fatigue and tiredness, helps in the normal functioning of the nervous system and the maintenance of normal psychological functions, helps in the normal functioning of the immune system and plays a role in the process of cell division. The product can be consumed by vegans and vegetarians. **Recommended daily serving** Adults - 1 tablet daily. **Ingredients** Ingredients: bulking agent: cellulose, methylcobalamin (vitamin B12), anti-caking agent: magnesium salts of fatty acids, anti-caking agent: silicon dioxide. **Notes for use** Do not exceed the recommended daily serving. Dietary supplements should not be used as a substitute (replacement) for a varied diet. Maintaining good health requires a balanced diet and a healthy lifestyle. Note: Do not use in children, pregnant or nursing women. In case of medical conditions (e.g. megaloblastic anemia), use only after consultation with a doctor. Store at room temperature, in a dry and dark place. Dietary supplements should be kept out of reach of small children. **Content** 60 tablets **Manufacturer/Responsible party:** OLEOFARM **Storage method:** 15°C - 25°C
